Notice of Temporary Suspension of Certain Website Functions Due to Security Measures

Kanuma, Oct. 22, 2026

Thank you for visiting our website.
As part of our ongoing security enhancement measures, certain functions of our website have been temporarily suspended since October 22, 2026.

At this time, no incidents of information leakage, unauthorized access, or other security breaches have been identified.

This action is being taken as a precautionary measure. Please note that the Industrial Business website remains fully operational and available for normal use.

The suspended functions will be restored sequentially once security verification has been completed.

We will announce the schedule for resuming these functions on our website as soon as it is determined.

We sincerely apologize for any inconvenience and concern this may cause our customers and partners.

For inquiries, please contact us by telephone.
We appreciate your understanding and cooperation.

About Nakanishi Inc.

Nakanishi's mission is to create "brilliant progress" via innovative "grinding technology", guided by our corporate philosophy "Our Core". By creating new technologies, we strive to contribute to the development of medical care and to the enrichment of people's lives.

Based on "grinding technology", we have a differentiated product lineup under world-class brands in the dental, surgical, and industrial fields, and our products are sold in 145 countries worldwide.

Nakanishi will continue to work together with all employees across the group to create innovative products that only we can deliver, contributing to the lives and health of people around the world.

The company is listed on the Tokyo Stock Exchange.
